## AT YOUR COMMAND I LEAVE MY ALL

$\text{♩} = 104$

1. At Your com-mand I leave my all, to be Your ser-vant true;
2. You guide my life in un-known ways to gain the gift of life;
3. When clouds and dark-ness hide the way which You would bid me go,
4. And when the heav'n-ly goal ap-pears in glo-ry to my sight,

I know Your strength and heed Your call to rise and fol-low You.  
 help me to trust for all my days through sor-row, pain and strife.  
 then grant Your light, O Lord, I pray, my dai-ly path to show.  
 the rug-ged way, the grief, the fears, will van-ish in its light.
