SONS OF MEN, BEHOLD FROM FAR

♩ = 104

1. Sons of men, be - hold from far; hail the long ex - pect - ed star:
 2. Na - tions all, re - mote and near, haste to see your God ap - pear;

Ja - cob's star that gilds the night, guides be - wil - dered na - ture right.
 haste, for Him your hearts pre - pare; meet Him man - i - fest - ed there.

Mild it shines on all be - neath, pierc - ing through the shades of death,
 There be - hold the Day - spring rise, pour - ing light up - on your eyes;

scat - t'ring er - ror's wide - spread night, kin - dling dark - ness in - to light.
 see it chase the shades a - way, shin - ing in - to per - fect day.
