

O LORD OF LIFE, THE TRUTH, THE WAY

885

1. O Lord of Life, the Truth, the Way, O Fount of mercy, peace and love,
 2. Here may our praise to Thee as-cend as in-cense from a thank-ful mind;
 3. So may our hearts and minds be one, con-joined with Thee in Love Di-vine;

turn Thou our dark-ness in - to day and raise our hearts to things a-bove.
 and may each hal-lowed feel-ing blend, and truth with love in un-ion bind.
 so may Thy will on earth be done and all our life be ruled by Thine.
